

Glückskinderwelt is growing ...

Glückskinderwelt is a private daycare center right in the heart of Heidelberg. The focus is on the loving care and support of children between 3 months and 6 years old. We offer service at the highest level in modernly furnished rooms. We would like to actively shape the childcare of the future - with happy children, parents and employees in a good balance between family and work.

For us a homogeneous and strong team makes the difference.

We would like to promote the fun of daily work and also the professional development. Our employees should start the day in a good mood, be motivated and always have a smile on their face. We offer the right environment for this. With a lot of creativity and commitment, they shape the daily routine of the children and see themselves as a caregiver during care.

We are looking for creative and enthusiastic full-time or part-time employees to look after our children in German or English and look forward to hearing from you.

- Opportunities for further development within Glückskinderwelt
- Further training, coaching, workshops
- Responsible and independent work
- A varied daily routine that you can help shape creatively
